**Dynamic Design AV**

# Press Release

## **Dynamic Design Announces New Asian Distributor!**

**Chicago, IL, July 20, 2015:** For more than fifteen years, users have trusted Dynamic Design AV to deliver neutral, ultra wide-bandwidth high-end Audio/Video performance solutions. The simple secret: is that Dynamic Design AV carefully designs each product based on a commitment to deliver accurate information using the best materials and technologies available. Please visit <http://www.dynamicdesignav.com/> for more information about Dynamic Design and its award winning product line.

Dynamic Design AV and Sinoweiss of Beijing, China have reached an agreement that Sinoweiss acts as Dynamic Design AV's sole distributor for Mainland China, Hong Kong and, Macau. Sinoweiss represents high performance brands that deliver reference quality audio/video performance. Sinoweiss's desire for high performance and high integrity products led to the inclusion of Dynamic Design products in its product line. Dynamic Design products deliver truly ultra wide-bandwidth AV performance that immerses users in the experience of their listening or viewing choices.

More information available at <http://www.dynamicdesignav.com> and <http://www.sinoweiss.com>, or interested parties can reach us [mail@dynamicdesignav.com](mailto:mail@dynamicdesignav.com).

**For Immediate Release**
